THE ZOO
PART ONE
OF FIVE

[0]

Hello again, Gotham.
It's been a long time.
So, who are you these days? Who have you become while I was gone?
You're prettier, I'll give you that. Taller, brighter.
But deep down...
PARTY ANIMAL GANG SLAUGHTERS NINE IN BRUTAL ATTACK, INCLUDING TWO POLICE OFFICERS...
CRIME
...something's **changed.**
My third lap around and I still can't find it.
Where's your **heart?**
You used to have a center. Hot and beating.
But something's hollowed you out.

OceanofPDF.com

In fact, I barely recognize you anymore.
GOTHAM DELI & GROCERY
OPEN
I'm not sure I like this new you, Gotham.
But that's okay.
I don't think you're going to like me much, either.
My name is Alfred Pennyworth.
And I'm here to do some bad things.
SO GOOD TO SEE YOU, OLD FRIEND. I STILL STOCK YOUR FAVORITE.
YOU'RE A GIANT AMONG MEN, AMIR.
TRUE, TRUE. BUT I WOULDN'T LEAVE YOUR BIKE OUT THERE UNLESS YOU'RE ASKING FOR TROUBLE...
NEVER.
Amir left Kabul during the occupation twenty years ago. He's had me over to his apartment many times. I even taught his boys how to play cricket.
Sometimes I wonder if he'd invite me back if he knew the things I did in that conflict.
But...he runs the only decent tea shop in Gotham, which is why I keep my things next door.

OceanofPDF.com

~JULIA, LEAVE A MESSAGE.
...
JULIA...? HI. I KNOW IT'S BEEN A LONG TIME, BUT I'M IN GOTHAM. AT LEAST FOR A SHORT WHILE. I DON'T KNOW IF YOU EVEN STILL LIVE HERE ANYMORE, BUT IF YOU DO, I'D BE GRATEFUL FOR THE CHANCE TO SEE YOU.
THIS IS YOUR FATHER, BY THE WAY.
SIGH.
JULIA
Well done, &$#%&.
She knows you too well for that.

PENNYWORTH SIGNING IN. CONNECTION SECURE.
AH. TEA AS GOOD AS YOU REMEMBER?
DELIGHTFUL. WHAT'S THE ASSIGNMENT?
I READ THE DOCKET. BUT CAN I ASK WHY YOU PULLED ME OUT OF SINGAPORE? I WAS THIS CLOSE TO THE TARGET. I'D BEEN CHASING HIM FOR FIVE--
IN THE PAST THREE MONTHS, A GANG KNOWN AS "THE PARTY ANIMALS" HAS BEEN SOWING CHAOS, BUTCHERING CITIZENS AT RANDOM, RAISING THE MURDER RATE BY 700 PERCENT ALMOST SINGLE-HANDEDLY. A DAY CARE WAS TORCHED YESTERDAY. THEY DANCED OUTSIDE WHILE 32 BURNED.

YOU'RE NEEDED HERE, AND QUITE FRANKLY, NO. YOU MAY NOT. MANNERS...
YOUR ASSIGNMENT IS STRICTLY SURVEILLANCE. GATHER INFORMATION ON THESE "PARTY ANIMALS," BUT DO NOT ENGAGE.
PARTY ANIMALS

ONE NOTE--THERE MIGHT BE... ANOTHER PLAYER IN TOWN.
WE'VE ONLY CAUGHT GLIMPSES, BUT HE SEEMS TO BE CIRCLING THE GANG AS WELL. IF HE GETS TOO CLOSE, YOU DO HAVE AUTHORIZATION TO ENGAGE HIM.

LOVELY.

WE'RE SENDING COORDINATES TO THE BIKE AS WE SPEAK. PLACES TO SCOPE OUT. POSSIBLE TARGETS.
SAVOR THE TEA. SIGNING OFF.

What's gotten into you, old man? Questioning orders.

You're a servant.

They ring, you serve. Whether it's in Saigon, Khartoum, or...

You straighten out. You go back to school and get a scholarship to the best university in the state.
But when you get there, you're injured in the first week, a soft-tissue tear.
I've seen the X-rays, though, and I've been in command of men who've faked injury to escape duty, and I suspect that's exactly what you did.

Until finally, you come full circle. Ever the engineer.
Creating. Building. You even fix what you break... repairing the stairs you blew up last night.
You've built something here, Bruce.

DC NATION SPOTLIGHT ON

ELSEWORLDS

GREEN LANTERN DARK

INTERVIEW WITH TATE BROMBAL

On a postapocalyptic Earth overrun by monsters, the battle between good and evil ended long ago—and evil won. Darkness prevails as humanity struggles to survive in the corrupted wasteland. Only one hero is said to haunt what's left of our shadowed cities—the Green Lantern. Celebrated horror artist of the smash hit *Something Is Killing the Children* Werther Dell'Edera teams with rising-star writer Tate Brombal (*House of Slaughter*) to bring you a chilling tale of desperation, hope, and resurrection from the bitter remains of the fan-favorite Tangent Universe!

What does it mean to be contributing to the relaunch of the iconic Elseworlds line?

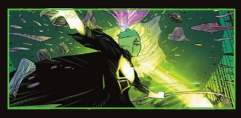
It is such an honor to be contributing a story to that pantheon. The Elseworlds line features some of the best superhero storytelling in comics. It's where each character can be distilled down to their purest form, then placed in wholly different settings and stories not possible in the main DC line. It allows creators to deconstruct and reexamine these icons in new light. There's a reason so many Elseworlds stories are so beloved and still selling to this day.

Why did you choose the Tangent Green Lantern to be the star of this dark-fantasy Elseworlds tale?

Even though the Green Lantern is more associated with science fiction these days, the character was originally much more fantastical! Returning the character to these fantasy roots just seemed right. Plus, the very witchy Tangent Green Lantern has just been waiting to be used to her full potential! The same could be said for the entire Tangent Universe, which is just a *very* cool and imaginative playground. However, the Green Lantern we're introducing is not the Tangent Lantern fans know, but how the two are related will slowly be revealed across our story...

What is artist Werther Dell'Edera bringing to this project?

I don't have the words to describe what Werther is bringing to this comic book. It's transcendent. He brings such energy, humanity, and pathos to everything he draws. It's pure comics storytelling. He's a master. And if you're a fan of his work on *Something Is Killing the Children*, just wait until you see what he's doing here. He's hitting entirely new levels on both an epic and intimate scale.



Can you tease fans with your favorite scene from the first issue?

Oh man! It's hard to pick one scene, but my favorite might involve a rogue zombie hand landing in a certain Green Lantern's beer, and she *really* wanted to finish that beer!

Can you describe this series in five words?

Dark. Epic. Human. Adventure. Heart.
